

Learn what you can do.  
Learn what you can be.  
At a Maine community college.

**YOUR PASSION. YOUR PACE. YOUR PATH.**  
Take control of your future. Explore your options, try something new, and pursue the education and training that prepare you for a better job and meaningful life. Wherever you are you are, Maine's community colleges can get you to where you want to go.

**APPLYING IS EASY**

If you're interested in applying to one of Maine's community colleges, visit us at [mccs.me.edu](https://mccs.me.edu). You'll find links to all seven of the colleges and more detailed information about the programs of study offered at each one. When you're ready to get started, you can apply online — and easily.

The financial aid office at each college can help you determine how much grant aid or financial aid you may be eligible to receive. Learn more at [mccs.me.edu/aid](https://mccs.me.edu/aid).

**Tuition and fees: \$4,156**  
**Room and board: \$8,100-\$12,300**

*for a full-time, in-state student*

**ANNUAL COSTS**

Maine's community colleges offer the lowest tuition and fees in New England. For nearly half of our degree-seeking students, Pell Grants and Maine State Grants cover the full cost of tuition and fees. For many, the grants cover significantly more. High school graduates from 2022-2025 qualify for a Free College Scholarship that pays 100% of tuition and mandatory fees. In all, 82% of degree-seeking students receive some form of grant aid to help cover the cost of their education. You don't have to be a full-time student to qualify for financial aid.

**FREE FOR MANY. AFFORDABLE FOR ALL.**

**Across the state ... and close to home.**

In addition to our seven colleges and five off-campus centers, Maine's community colleges offer courses online and at other locations around the state. Check with each college for information about off-campus sites in your area, or visit [mccs.me.edu/our-colleges](https://mccs.me.edu/our-colleges).
